Through [REDACTED] error and [REDACTED]
25X1A9a inadvertent approval, [REDACTED] shipped too
much air freight. The case has been discussed
with the new Chief of the Fiscal Division, who
has agreed to hold request for repayment until
the DD/S decides whether any relief can be given.
Overtly, nothing can be done except to repay the
Government.
25X1A9a Both [REDACTED] have said they would
pay the cost rather than have [REDACTED] assume such
a debt for something not his fault. We do not
want to do this without exhausting all other
possibilities first.
